- Rhino 3D
- Twinmotion

LICENSURE

NCARB record established; actively logging AXP experience hours

Miranda Morton

Architectural Designer

EXPERIENCE

JLA Architects — Architectural Intern (part time, concurrent with degrees)

Sep 2022 - May 2026

- Worked across all project phases (SD, DD, CD, CA) on market-rate multifamily, student housing, and affordable senior housing projects
 - Worked on The Hangar at Central Park as my primary project from Jan 2023 through May 2026, a 259-unit, 4-story apartment complex of ~256,000 SF; independently produced the master plan in AutoCAD and Photoshop and contributed across SD, DD, and CD phases through SDP submittal and permitting
 - Contributed to 112 of 146 sheets in the CD set: independently produced firewall plans, enlarged unit plans, interior elevations, and storefront framing elevations; picked up redlines on floor plans, enlarged plans, RCPs, elevations, and sections
 - Supported SD and a community design charrette for Ravenfield, a 46-unit, 3-story affordable senior housing community with a second phase planned
 - Coordinated design intent and code compliance through client and consultant meetings
-

The Mulhern Group — Admin Assistant & Studio Floater (part time)

Jun 2025 - May 2026

- Picked up redlines and supported drawing revisions across active projects
 - Managed AR/AP invoice processing, expense filing, deposits, and monthly cash flow logs
-

Waterworks Aquatics — Senior Lead Instructor (part time)

Aug 2018 - Jul 2022

- Taught and adapted swim lessons for students ages 3 and up while supervising and mentoring junior instructors
- Maintained regular communication with parents on student progress; held CPR, AED, and First Aid certifications
